NOTES:

- Grade configuration varies for each facility and is indicated in the legend table
- Elementary Proposal closes Bryant, Emerson, Lincoln, and Mueller elementary facilities, relocating Mueller to Isely, and Isely to the new school at 53rd and Woodlawn
- Proposal proposes the possibility for additions to be determined at a later date
- Proposal decisions impacted by current budget considerations
- Proposal capacity numbers provided by Schaefer Johnson Cox Frey and Wichita Public Schools (Based on 25 students per classroom)
- Ortiz Elementary and new NE and SE elementary facilities are new schools to the district that will open in 2012/13
- NE new facility will open as K-5 grade configuration
- Lewis Open Magnet is an existing facility that will be expanded significantly and opened in 2012/13
- Enrollment in each attendance area will vary based on student choice to attend a Magnet Program, educational programming in other facilities, or student transfers
- Schools shown in white in the legend table are those that do not have a boundary shown on the map
- The following elementary schools are pure magnets, having no geographic boundary: Bostic, Cleveland, and Horace Mann Dual Language Magnet
- SE K-8 will be formally named by the BOE in May 2012
