**Subject:** FW: Counts at US-54 and Santa Fe Lake Road  
**Attachments:** ButlerCounty Map.pdf

It was good visiting with you this morning.

**Daily Traffic Counts at US-54 and Santa Fe Lake Road –**

US-54 (West Leg) – 17,000 vehicle/day

Santa Fe Lake Road (North Leg) – 2,285 vehicles/day

US-54 (East Leg) – 16,200 vehicle/day

Santa Fe Lake Road (South Leg) – 2,355 vehicles/day

Couldn't find a great map of the area – a Google map would be good. I did attach our Butler County map. Let me know if you have questions, Alan.
